MAEA Art Teacher of the Year

Art Educator of the Year Award for SY 2018-2019

Nominations Due: September 10th, 2018

Thank you so much for offering to nominate an art teacher for the Montana Art Educator of the Year Award!

The Purpose from NAEA: To honor an outstanding NAEA member from each state association for service and contributions to art education that merit recognition and acclaim. Recipients of this award are selected by their state association and are honored at the state teacher convention in October as well as at the National Convention in March.

Eligibility: Active NAEA members who have made significant contributions to art education on the state level are eligible.

There are just a couple of requirements you and your nominee to complete:

1. You send a **nomination form** and **vita form** to the teacher you are nominating. Have them fill them out and return them to the current chair by September 10th, 2018.
2. Have them include/send a **digital photo** of themselves to the current chair.
3. Have them get two colleagues/administrators to write **letters of support**. Have those sent to the chair, too, no later than the September 10th, 2018.
4. Lastly, send your **letter of nomination** to the chair by September 10th, 2018.

Again, we appreciate your belief in this teacher and willingness to go the extra mile to nominate them!
