

Don't forget Friday, Sept. 21st, at 5PM the opportunity for you to vote on our February retreat artist closes. If you haven't made the time to view the attachment, it literally will only take a minute and your input is valued. Or retreat co-chairs, Autumn Elliot and April Fox, appreciate your insight. They have honed it down to two artists but want you to choose. Please follow the link below to put in your two cents. The artists' names and samples of their work are in the survey.

Please respond by **Friday, September 21st, 2018** so they can get your choice booked.
