

I am so excited to announce that our MAEA teacher of the year was selected as the PACIFIC REGION art educator of the year!!!! Congratulations April! You are so deserving!

Please visit our [MAEA website](#) to read more about April's award. In Boston she will be recognized as both our state and our regional art educator of the year. To join April and I in Boston [click here](#) to register.

Registration is also open for the MAEA [winter retreat](#). Visit our website to learn more about our guest artist and to register. MAEA member's only registration will go through December 31st, after that date it will be open to anyone.

Victor Daniels, our [Youth Art Month](#) Chair already has the Governors letter of support for YAM and will be using Google Forms to generate labels this year. Participating art teachers will need to submit 2-3 works in February. Works can be delivered to the [winter retreat](#) and returned at [MAI](#) or sent via UPS, FedEx, or USPS. Return postage will need to be provided if art submissions are mailed. This is a legislative year and we look forward to WOWING the politicians and public with our exhibition again this year.

You can also find deadlines and links for [Signatures](#) and our [business meeting minutes](#) from Billings on the website.

MSU- Billings is also interested in your feedback. They have drafted this [short five question survey](#) to determine interest in an MA in Art Education. Please take a moment to respond so they can determine their next steps as they seek to serve our community.

Make it a great day,

Mrs. Cortni Harant
