

Registration for the [MAEA Retreat](#) in Fort Benton is now open to everyone. Cathry Reitler is our guest artist this year. The retreat promises to be amazing. We have fifteen slots remaining. Member registration is \$78 and non-member registration is \$100. To become a member of your professional organization and receive the benefit of the reduced rate and support our advocacy efforts please [join](#) today. MAEA is an affiliate of the NAEA so when you join NAEA you join MAEA. ☺

Again, Victor Daniels, our [Youth Art Month](#) Chair already has the Governors letter of support for YAM and will be using Google Forms to generate labels this year. Participating art teachers will need to submit 2-3 works in February. Works can be delivered to the [winter retreat](#) and returned at [MAI](#) or sent via UPS, FedEx, or USPS. Return postage will need to be provided if art submissions are mailed. This is a legislative year and we look forward to WOWING the politicians and public with our exhibition again this year.

You can also find deadlines and links for [Signatures](#) and our [business meeting minutes](#) from Billings on the website.

Make it a great day,

Mrs. Cortni Harant
