

We are attempting to get your feedback to reschedule the 2019 MAEA Retreat in Fort Benton with artist Cathryn Reitler. Please respond to our [survey](#) by Thursday, February 14. I know, Valentine's Day, however by hearing from you before Friday we can notify our venue, UMW, our artist, and our other partners what date was selected before the weekend. Probably the only date that offers a unique difference would be March 7th through 9th. For some Districts that Friday is a non-student day so, you do not have to deal with the sometimes-difficult sub shortage. Monica Thompson's reception at the [Paris Gibson Square Museum of Art](#) in Great Falls was also postponed due to the ramifications of weather last weekend. The Square is leaning towards rescheduling her on March 7th so those of you who want to start your art-filled weekend with a reception for our very own Monica Thompson could kick off the weekend at the Square if we pick that weekend.

Thanks for letting us know your preference ASAP. If the date selected does not work for you your registration fee can and will be refunded. UMW has offered the same courtesy.

Make it a great day,

Mrs. Cortni Harant
