

URGENT

Victor needs your [Youth Art Month Label Info NOW](#) for our Capital MAEA Exhibit!

We are now up to 24 works, but we usually have a little over 60 to fill the space. Please upload your label information to Victor TODAY and get your work to him next week. Thanks.

If you cannot deliver your work in person to Victor at Helena High or to me at Great Falls High (I will run work down on the 24th) please send your student work via UPS, FedEx, or USPS. Return postage must be provided if art submissions are mailed.

Victor Daniel, MAEA Youth Art Month Chair
C/O Helena High School

Helena, MT 59601

Find more information on Youth Art Month on the [MAEA website](#).

Here are some general guidelines for your submissions:

- Each teacher can **send two to three 2-D pieces** created this academic year, *pending scale & response*
- Works must be **mounted/matted** and **hang-able** (*hot glue and string works great*)
- We use Command strips on marble to hang, so works can't be too heavy
- **NO FRAMES** unless YOU provide the easel
- **3-D works** are encouraged, number is not as limited but please think of media when shipping

If any of you are interested in helping hang and can get a sub, please let Victor know, vdaniel@helenaschools.org.

Make it a great day,
